How to Check Your Deposit History and Status .....	12
Deposit Processing Time .....	13

At Parkway Market, you can fund your account easily via bank transfer (USD/JPY) or cryptocurrency (USDT, Bitcoin). While bank transfers may take some time to process, crypto deposits are reflected in your account almost instantly.

In this guide, we'll walk you through:

- [How to deposit via bank transfer and cryptocurrency](#)
- [How to check your deposit history and status](#)
- [Estimated processing times for each method](#)

Both deposit options are quick and user-friendly.

Read on to make your deposit process smooth and hassle-free!

## Supported Currencies

Before making a deposit, please take a moment to check which currencies are supported on Parkway Market.

We charge no fees for any deposit method, so you can deposit with peace of mind.

- **Fiat:** USD, JPY
- **Stable coins:** USDT
- **Coins (Cryptocurrencies):** Bitcoin (BTC)

\*Stable coins are digital assets designed to maintain a stable value, typically pegged to fiat currencies like the US dollar.

## How to Deposit via Bank Transfer (USD/JPY)

Parkway Market accepts bank transfers in both USD and JPY.

In this guide, we'll walk you through the steps using USD as an example.

### Step 1: Go to the Deposit Page

[Log in](#) to your My Parkway Market (Client Zone) account.

From the menu, select “Funds” → “Deposit” to open the deposit screen.

## Step 2: Select Deposit Settings

---

Set the following options:

- > **“To”** Currency: USD
- > **“Using”** Currency: USD
- > **“Payment Method”**: Deposit with Bank Transfer USD

Once selected, the necessary deposit details — including the bank account information — will be displayed on the screen.

**Deposit**

To

USD  
ID: 1444 0

Using

Currency: USD USD

Payment method: Deposit with Bank Transfer USD

### Terminology Explained

- **“To” Currency:** The currency that will be credited to your Parkway Market account after the deposit is processed.
- **“Using” Currency:** The actual currency you are using to make the deposit.
- **Payment Method:** Choose your preferred deposit method, such as bank transfer or cryptocurrency (e.g., USDT, Bitcoin).

## Step 3: Complete Bank Transfer & Submit Deposit Request

---

- 1** Transfer the funds to the bank account details provided using your online banking or an ATM.
- 2** Once the transfer is complete, make sure to save proof of the transaction (e.g., a screenshot or a photo of the transfer receipt).

**3** Then, return to the deposit screen and provide the following information:

- **Amount:** Enter the exact amount you transferred.
- **Bank Slip:** Upload the image of your transfer proof.
- Finally, click “**Send Request**” to complete your deposit application.

## How to Deposit Using the Stable coin “USDT”

Parkway Market supports deposits via the stable coin USDT, offering a fast and efficient way to fund your account. Follow the steps below for a smooth deposit experience.

### Step 1: Go to the Deposit Page

---

[Log in](#) to My Parkway Market (Client Zone) and navigate to “Funds” → “Deposit” to access the deposit screen.

## Step 2: Select Deposit Settings

Set the following options:

- **“To”** Currency: Choose from JPY / USD / USDT
- **“Using”** Currency: USDT
- **“Payment Method”**: USDT-TRC20

Once selected, the required deposit details will be displayed.

### Example:

If you set the Receive Currency to USD, your USDT will be automatically converted and deposited as USD.

## Terminology Explained

- **“To”** Currency: The currency that will be credited to your Parkway Market account after the deposit is processed.
- **“Using”** Currency: The actual currency you are using to make the deposit.
- **Payment Method**: Choose your preferred deposit method, such as bank

transfer or cryptocurrency (e.g., USDT, Bitcoin).

## Step 3: Transfer Your USDT

### 1 Enter the amount of USDT you'd like to send in the "To Pay" field

➔ The equivalent value in your selected receive currency will appear in the "To Get" field (calculated in real-time).

### 2 Click "Send Request"

➔ A dedicated QR code and wallet address will be displayed.

### 3 Make the transfer from your wallet

Open your crypto wallet and complete the transfer by either scanning the QR code or copying the wallet address.

**Indicative Amount**  
Use these fields to check current rates for deposit. Commission depends on blockchain

To Pay: USD 10000 **Enter the amount of USDT**

To Get: USD 9969.8 **Calculated in real-time**

1 USDT = 0.99698006 USD

Time to fund: Depending on the Blockchain

# How to Deposit Using Cryptocurrency “BTC”

Parkway Market makes it easy to fund your account with Bitcoin (BTC). Follow this simple guide to complete your BTC deposit securely and smoothly.

## Step 1: Add BTC to Your Parkway Wallet

If this is your first time depositing with Bitcoin, you'll need to **add BTC to your Parkway Wallet**.

- 1 [Log in](#) to your My Parkway Market (Client Zone)
- 2 Click **“Wallets”** in the menu to access your wallet screen
- 3 Check if Bitcoin (BTC) is listed in your wallet
- 4 If BTC is not yet added, click **“Add Wallet”** and select BTC to activate it

## Step 2: Open the Deposit Page

Once your BTC wallet is ready: Go to **“Funds”** → **“Deposit”** to access the deposit screen

## Step 3: Select Deposit Settings

---

Set the following options:

- > **“To”** Currency: BTC
- > **“Using”** Currency: BTC
- > **“Payment Method”**: BTC Deposit

Once selected, the required deposit details will be displayed.

### Terminology Explained

- **“To” Currency:** The currency that will be credited to your Parkway Market account after the deposit is processed.
- **“Using” Currency:** The actual currency you are using to make the deposit.
- **Payment Method:** Choose your preferred deposit method, such as bank transfer or cryptocurrency (e.g., USDT, Bitcoin).

## Step 4: Complete Bitcoin Transfer & Submit Deposit Request

---

- 1 Send the Bitcoin to the recipient address displayed on the deposit screen.
- 2 Once the transfer is complete, take a screenshot or photo of the transfer confirmation as proof of payment.
- 3 Back on the deposit screen, fill in the following:
  - **Amount:** Enter the exact amount you transferred.
  - **Bank Slip:** Upload the image of your transfer proof.
  - Finally, click **“Send Request”** to complete your deposit application.

**Amount**

**Enter the actual amount you deposited**

**Beneficiary address**

## How to Check Your Deposit History and Status

You can easily track the status of your deposit from your My Parkway Market (Client Zone) account.

After [logging in](#), go to the “Dashboard” from the left-hand menu, then check the “Last Transactions” section to view the status of your deposit.

If the status is shown as “Pending”, your deposit is still being processed.

Once it changes to “Completed”, your funds have been successfully credited to your account.

## Deposit Processing Time

The time it takes for your deposit to be reflected in your account depends on the method you use. Please refer to the details below:

### 1. Bank Transfer (USD/JPY)

---

**Weekdays:**

- Daytime transfers: Usually reflected within 15–45 minutes
- Nighttime transfers: Typically within 1 hour, but may be reflected the next day

**Weekends & Public Holidays:**

- Daytime transfers: Usually takes 2–3 hours
- Nighttime transfers: Typically reflected the next day

### 2. Cryptocurrency Deposits (USDT/BTC)

---

**Reflected immediately**, depending on blockchain network conditions

 **Note:**

If your deposit hasn't been reflected after the estimated time, please reach out to our [customer support](#). We'll investigate and respond promptly.
