Click the button below to launch the web version of Parkway Market cTrader.

Open cTrader Web →

Step 3: Log In and Start Trading

Simply enter your Parkway Market account details on the login screen and begin trading immediately! Access real-time market data and enjoy seamless trading.

The screenshot shows a dark-themed login window titled "Log in" with a close button in the top right corner. At the top center is the Parkway Market logo, a red stylized 'P' inside a circle, with the text "PARKWAY MARKET" below it. Below the logo are two tabs: "LOG IN" (which is selected and underlined in green) and "SIGN UP". There are two input fields: the first is for "Enter email or username" with an envelope icon on the left and an information icon on the right; the second is for "Enter password" with a lock icon on the left. Below the input fields is a "Keep me logged in" checkbox, which is checked with a green checkmark. To the right of this checkbox is a blue link "Forgot password?". A large green button labeled "LOG IN" is centered below the checkbox. At the bottom of the screen are three blue links: "What is cTrader ID?", "Privacy Policy", and "Help Centre".
