Parkway Market Account FAQs.....	15

To begin trading, the first step is to open an account. Parkway Market provides real accounts and demo accounts to meet different needs:

- **Real Account:** Trade with actual funds in the live market.
- **Demo Account:** Practice and refine your trading skills with virtual funds, minimizing risk.

Both accounts can be easily opened in just a few simple steps.

In the sections below, we'll walk you through the steps to begin trading with both a real account and a demo account.

Getting Started with a Real Trading Account

Opening a real account is simple and takes just **five easy steps**, completing in approximately **10 minutes**.

1. Create a Parkway Market Account
2. KYC Verification
3. Deposit
4. Create a Trading Account
5. Fund Your Real Account and Start Trading

1. Create a Parkway Market Account

Step 1: Click the "Open Account" button below to open the Parkway Market account creation page.

[Register](#)

Step 2: Enter the required information (email address, password, name, etc.) displayed on the screen, and click "Next" to complete the account creation.

Step 3: Once you have created your account, you will be automatically redirected to the login page. Enter the details of your Parkway Market account to access [My Parkway Market](#) (Client Zone).

2. KYC Verification

To perform KYC authentication, you will need to provide identification documents. Please prepare the following documents in advance.

About identity verification documents

① Identification Document

Please provide one of the following:

- My Number Card (front side only)
- Driver's License (both front and back)

② Proof of Address

Please provide one of the following:

- Utility bill (electricity, gas, water, etc.)
- Tax bill
- Official document such as a residence card or registration certificate

*Make sure the document clearly shows your full name, address, and an issue date within the last 3 months. Please upload a complete image of the entire document.

③ A Selfie with Your ID

*Ensure the image is well-lit and sharp, with all four corners of the ID clearly visible.

Supported File Formats and Size

- Accepted formats: JPEG, PNG, PDF
- Maximum file size: Up to 3MB

Step 4: Click on your profile photo in the top right of My Parkway Market and select "Verification" to open the verification screen.

Step 5: On the validation screen, click "Upgrade".

Step 6: Click "browse" and upload the documents you have prepared in advance.
**If you're submitting a driver's license as your ID, please upload both the front and back sides of the card.(You'll need to upload two separate images.)*

3. Deposit

Parkway Market offers four types of real accounts, each with its own minimum deposit requirement. Once you've selected the account type that best suits your needs, you can proceed with the deposit process.

- **Standard:** Minimum deposit of \$3,000
- **Pro:** Minimum deposit of \$10,000
- **Max:** Minimum deposit of \$50,000
- *For a detailed comparison of each account type, [click here](#).

Step 7: Click "Funds" → "Deposit" on the left menu of My Parkway Market.

Step 8: Select the "receive" currency, "send" currency, and "payment method" and follow the instructions to complete the deposit procedure.

- **Receive Currency:** The currency that will be credited to your account after receiving the deposit.
- **Send Currency:** The currency used for sending the deposit.
- **Payment Method:** Choose from cryptocurrency (USDT, Bitcoin) or bank transfer.

Deposits made with cryptocurrency will be reflected in your account instantly. However, deposits made via bank transfer may take some time to process. You can view your deposited funds in the "Dashboard" or under "Balance".

4. Create a Trading Account

Parkway Market uses cTrader to offer seamless trading for FX and CFDs. Follow the simple steps below to create your cTrader trading account.

Step 9: Click "cTrader" → "Create New Account" on the left menu of My Parkway Market.

Step 10: Click "Live," then select the account type, currency, and leverage you wish to use. Then, click "Open New Account" to complete the account setup.

**When you open a new account, your Parkway Wallet balance will be checked automatically. If there aren't enough funds, the account can't be opened — so be sure to check ahead of time!*

A screenshot of the "Add New Account" form. The form is titled "Add New Account" and has a close button (X) in the top right corner. It features two tabs: "Live" (selected and highlighted with a red box) and "Demo". Below the tabs are several dropdown menus: "Product" (with "Select Product" text), "Currency" (with "Select Currency" text), "Account Type" (with "Hedging" text), and "Leverage" (with "Select Leverage" text). At the bottom of the form is a button labeled "Add New Account".

5. Fund Your Real Account and Start Trading

For new accounts, to start trading with your real account, please transfer funds from your Parkway Wallet.

Step 11: Click on "Funds" and then select "Transfer".

Step 12: Choose the wallet or account under the "From" and "To" sections. Enter the amount you'd like to transfer, then click "Transfer."
A confirmation screen will appear. Review the details carefully, and if everything looks correct, click "Confirm" to complete the transfer.

*You can freely transfer funds between your wallet and trading accounts as shown below. Please make sure both the "From" and "To" accounts are selected correctly.

- From Wallet to Trading Account
- From Trading Account to Wallet
- Between Trading Accounts

Step 13: Log in to cTrader using your Parkway Market account to start trading right away.

*For detailed installation steps, please [click here](#).

Getting Started with a Demo Trading Account

Parkway Market's demo account is completely free and easy to open in just **three simple steps**. It only takes about **three minutes** to get started. Use it to practice trading and sharpen your skills.

1. Create a Parkway Market Account
2. Create a Trading Account
3. Start Trading on a Demo Account

1. Create a Parkway Market Account

Step 1: Click the "Open Account" button below to open the Parkway Market account creation page.

Register

Step 2: Enter the required information (email address, password, name, etc.) displayed on the screen, and click "Next" to complete the account creation.

The screenshot shows a registration form titled "Enter Account Details" on a dark background. The form is divided into two columns. The left column contains fields for Email, Enter Password (with a list of requirements: 8 symbols, 1 lower-case letter, 1 number, 1 special character, 1 upper-case letter), Repeat password, First Name, Last Name, and Birthday. The right column contains fields for Country (dropdown), State, Postal/Zip Code, City, and Phone number (with a country code dropdown). Below the phone number field is a checked checkbox for "I have read all the customer agreements". At the bottom of the right column is a "Continue" button highlighted with a pink border. At the very bottom, there is a link: "Have an account? [Back To Sign In](#)".

Step 3: Once you have created your account, you will be automatically redirected to the login page. Enter the details of your Parkway Market account to access [My Parkway Market](#) (Client Zone).

2. Create a Trading Account

Step 4: Click "cTrader" → "Create New Account" on the left menu of My Parkway Market.

Step 5: Click "Demo," then select the account type, currency, leverage, and starting balance you wish to use. Click "Open New Account" to complete the setup.

*The starting balance may vary depending on the account type. Please choose the account type that best suits your trading goals.

*You can set the initial balance up to a maximum of \$5,000,000.

3. Start Trading on a Demo Account

With a demo account, you won't need to enter card details or make any deposits.

Step 6: Once your account is created, log in to cTrader with your Parkway Market account, and you can start demo trading immediately.

*For instructions on how to install cTrader, please [click here](#).

| Parkway Market Account FAQs

1. What is the difference between a real account and a demo account?

- Real account: Trade in real markets using real funds.
- Demo account: Practice trading and test strategies with virtual funds, without any risk.

2. Is the demo account free?

Yes, Parkway Market's demo account is completely free to use.

3. What is the minimum deposit required to open a real account?

Parkway Market has the following minimum deposit amounts:

- Standard account: Minimum \$3,000
- Pro account: Minimum \$10,000
- Max account: Minimum \$50,000

4. How soon can I start trading after opening an account?

Once your account is opened, you can start trading immediately.

5. Is KYC verification required?

KYC verification is not required for demo accounts. However, it is required for real accounts to ensure security and prevent fraudulent transactions.
